

## Volunteering

Hey you! Nice to see you are interested in volunteering at the ONCS 2024. To make this event possible we need people like you so that everything will go smoothly. In this leaflet I will explain why you would volunteer, and what the options for volunteering are.

### Why volunteer?

First of all, let's start by why you would want to volunteer. As a volunteer you get to experience the ONCS from an unique viewing point. You will also receive a beautiful volunteer t-shirt, meals during the days and you will have a separate hall where you can sleep in peace away from the crowd. Another upside of volunteering is that you pay less or no participation fee, depending on what type of volunteer you want to be. A full-time volunteer pays no participation fee and a part-time volunteer pays half of the participation fee, all while being able to enjoy the ONCS!

### Types of volunteer

There are three possible types you can volunteer during the ONCS.
